What is EROM®?:

- EROM® is like:
- **Preventing** a House Fire (predictable risk) by using a Chargeable Lamp instead of a Candle OR
- Applying for a staff loan (identifiable opportunity) before the closing date
- Generally:
- **Thinking First** and Acting later instead of
- Acting First and Crying later

What do “ROC®” people do?

- ROC®: **R**isk & **O**ppportunity **C**ontributors are the **ROCK** of EROM®!
- You **identify** a Risk or Opportunity
- You **access** the EROM® contribution system
- You **answer** a few straightforward questions in simple non-technical language
- Your answers **help** the EROM® system to **evaluate** the risk or opportunity for potential control action
- You have the “no-problem” option of anonymous contributions
- If you choose to be identified, you are automatically entered into an EROM® **contributors lottery** for recognition of your constructive service
